

Montreal è un materasso che offre uno straordinario supporto ortopedico garantendo il rilassamento della muscolatura grazie all'importante spessore dello strato di superficie in Viscofoam.

La combinazione dei due materiali offre un alto comfort, oltre che ad una postura corretta e un riposo di qualità.

The Montreal mattress provides excellent orthopaedic support and helps relax the muscles thanks to the extrathick surface layer of Visco Foam. This special material provides added comfort and guarantees a correct posture and a good night's rest.

Montreal est un matelas offrant un excellent soutien orthopédique et permettant à la musculature de se détendre, notamment grâce à la grande épaisseur de la couche superficielle en Viscofoam.

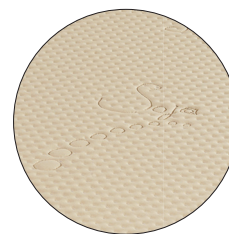

La combinaison des deux matériaux assure un confort élevé, une posture correcte et un repos de qualité
